Competition: Manager, Client Services - 244350

Interview Component: [Written Assignment](#)

Scenario

You have received several reports from users that their phone system is experiencing issues. Some users are also reporting that the system does not work at all.

A manager at one of the impacted locations has raised concerns about their team's inability to provide service to their clients and has asked for an update.

 Your Task

Please complete a written report (total 1 page) for your manager providing details about:

- The steps you took to investigate the issue
- The cause(s) of the issue
- What actions you are taking
- When a resolution or an update can be expected
- Your approach to updating the client

You will be asked to present your assignment to the panel during the interview.

Submission:

Prepare a written response and email to Christine.Stergiou@ontario.ca a minimum of 30 minutes prior to your scheduled interview.
